HIDDEN GEMS

Do you have old mobile phones laid around, you could be surprised at how much they are worth – there are lots of websites offering to buy your old phone

SWITCH DEALS

There are really great deals on broadband, phone contracts and much more. If you're in a good signal area you might not need broadband and instead could use 4g / 5g at a much lower cost

BE FLEXIBLE

You could make a bit of money from selling books, cds, clothes etc there are online sites but you could also try a car boot sale (it might feel like a lot of work but it could really PAY off)
