### WATER RATES

If your household income is under 17K or you receive Pension Credit you could get 50 % discount on your water rates via low income discount

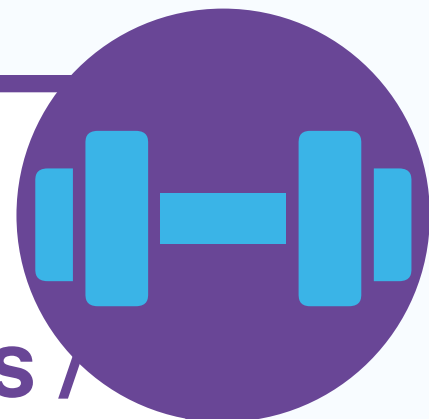

### TV YOU DON'T WATCH

Are you paying for TV subscriptions which you don't use? If you don't watch it - cancel it!

### MEMBERSHIPS

Check any memberships / subscriptions you may have that you are not using either on your phone or places you don't attend

### SOCIAL TARIFFS

If you are in receipt of Universal Credit, Pension Credit < ESA and JSA you may qualify for packages £10-£20 per month. Some providers call these tariffs essential or basic broadband. Contact current provider to see if they offer a social tariff and switch to it. If they don't have a social tariff switch to a provider who does.
