Information for Parent Carers

WELCOME

Welcome to the Parent Carer Information Booklet, it includes information about services and organisations that support families caring for children and young people who have additional needs. If you are viewing the booklet electronically, you can click the links to take you to the organisations' websites.

We hope that you find it helpful.

If you have any comments or feedback about this leaflet please email admin@dccarers.org

Please let us know if you are aware of any new groups or sources of help for parent carers not included in this booklet. We update the booklet periodically and will endeavour to include new groups in the next edition. Similarly if you are aware that a group included in this booklet has closed or there have been changes please let us know. Thank you.

Keeping our records up to date

Please let us know if your personal contact details have changed so that we can update your record and can keep in touch.

[Fun and food - Durham County Council](#)

Do you find the school holidays a struggle? Finding fun things for your kids to do that don't cost the earth and paying for all that extra food or child-care. Fun and Food provides free holiday activities with healthy snacks and meals for children and young people. Activities are provided by schools, voluntary and community sector groups, sport and leisure services and our Family Centres.

Activities will be added up to 2 weeks before each school holiday. If there are no activities listed please check back closer to the holiday.

Not all disabilities are visible – some are hidden and not immediately obvious, such as learning difficulties, mental health as well as mobility, speech, visual or hearing impairments. Living with a hidden disability can make daily life more demanding for many people, and it can be difficult for others to identify, acknowledge or understand the challenges you face.

Be visible when you want to be

Wearing the Hidden Disabilities Sunflower discreetly indicates to people around you including staff, colleagues and health professionals that you or your child may need additional support, help or a little more time.

Disability Living Allowance (DLA) is a welfare benefit for children, it may help with the extra costs of looking after a child (under 16) who has difficulties walking or needs much more looking after than a child of the same age who does not have a disability. To make an application a DLA form must be completed. The form can be downloaded from www.gov.uk or requested by calling the **Disability Living Allowance helpline** on telephone: **0800 121 4600**. The claim form is lengthy and requires a lot of information. If you find that you need help with the completion of the form, it is always worth asking the professionals involved with your child if they can help. A social worker, health visitor or other worker may be able to offer assistance, if not then the following services offer support.

Team training is a group of organisations working together to offer training and information sessions for parents and carers of children and young people (0-25yrs) who have additional needs.

As a group we aim to offer parents a wide variety of training topics, delivered via different platforms, including face to face and online.

We will conduct regular research with parents to ensure that the training offered is relevant and beneficial.

Training and information sessions are advertised by the organisations in the group, across their social media platforms, websites and via email. Look out for this logo! *(if viewing online click logo for more info)*
